PATIENT FINANCIAL AGREEMENT AND ACKNOWLEDGMENT OF OFFICE POLICIES

REDDING DERMATOLOGY MEDICAL GROUP, INC.

2107 Airpark Drive - Redding, CA 96001- Phone: (530) 241-1111 - Fax: (530) 241-4870

Registration: All patients must complete our patient information forms and maintain accurate information for proper communication and billing. To provide proof of insurance, patients must provide a current valid insurance card and government issued photo ID.

Insurance: We accept Medicare assignment and participate in most insurance plans. If you fail to provide correct insurance information or your insurance changes and you fail to promptly notify us, you may be responsible for the balance of a claim. Most insurance companies have claim filing time restrictions; if a claim is not received within 30 days of the date of service, it may be ineligible for payment and you will be responsible for the remaining balance. You are responsible for all non-covered services and any charges not covered by this assignment, including applicable copayments and deductibles. **Copayment is due at the time of service. If you cannot pay your copayment at the time of service, your appointment will be rescheduled.**

Uninsured and Cosmetic Patients: Payment is due at the time of service – no exceptions.

Patient Appointments: Two days prior to your appointment you will receive a call confirming your appointment. If you need to cancel your appointment we ask that you give us as much notice as possible so we are able to fill your appointment spot with a patient on our cancellation list. Patients arriving later than 15 minutes past their scheduled appointment time will be subject to rescheduling per the provider's discretion.

Missed Appointment Fees: Our policy is to charge \$25 after the first missed appointment not canceled within one business day or 24 hours before your appointment time, whichever is longer. After a second missed appointment, this fee will be \$50. Missed appointment fees will be your responsibility and billed directly to you. This fee must also be settled prior to scheduling with us again. We understand that emergencies occur and will take these situations on a case by case basis. Please help us serve you better by keeping your scheduled appointments.

Scheduled Surgeries/Procedures: If your physician recommends a scheduled surgery/procedure, your account will be forwarded to our surgery coordinator to check your eligibility and benefits. Our surgery coordinator will obtain a cost estimate which shows your financial responsibility, based on the benefit levels and coverage of your insurance plan and complete all pre-certification/authorization if your insurance company requires it. You will be contacted by our surgery coordinator to go over any prep that may be required, answer any questions you may have, and to collect a pre-surgical deposit. This deposit amount will depend on your coverage and deductible amount. No showing a scheduled surgery will result in a \$50 no-show fee.

Minors: A parent/legal guardian must accompany any patient under the age of 18 on the patient's first visit. This accompanying adult is responsible for payment of the account, according to office policy. Minors are permitted to come to subsequent appointments without their parent or legal guardian provided they are able to settle any payment that is due.

Treatment: During your visit your provider may recommend treatment to you and ask for your verbal consent to treatment. By this verbal agreement, you authorize Craig A. Kraffert, M.D., and/or his associates, assistants of his choice, and personnel assigned by him to perform the agreed upon procedure and/or to do any other procedures that in his judgement may be medically necessary for your wellbeing, including such procedures as are considered advisable to remedy conditions discovered during the procedure or operation. All patients understand there are risks associated with any procedure including the potential for serious harm, wound infection, anesthesia risks, and even death. No warranty or guarantee has been made as to the result or cure.

I hereby agree to the above financial agreement and office policies of Redding Dermatology Medical Group, Inc.
